

DR DANIEL POULTER M.P.

Lib (Hons), MBBS, AKC, MRCPsych

HOUSE OF COMMONS

LONDON SW1A 0AA

As your MP I continue to take a keen interest in the traffic challenges in Coddendam. Over the past few months, I have been working closely with your County Councillor, Matthew Hicks, to source funding to support potential traffic flow improvements for the village.

I am pleased to inform you that following a meeting with Julia Pyke, Managing Director for Sizewell C, I have secured an agreement from EDF that as part of the construction process, they will provide a fund to support wider community benefits in the central Suffolk area. I am delighted to inform you that following my intervention, EDF has confirmed that some of this funding will be coming directly to Coddendam to help deliver traffic flow improvements.

Cllr Hicks has been and will continue to liaise directly with Coddendam Parish Council and highways officers to develop potential proposals and I shall, of course, keep you updated about this important issue which affects everyone in the village.

Please do not hesitate to contact me if you have any queries or if I can help further.

With best wishes.

Yours sincerely,
